Exhibit at our conferences!

As the model making industry continues to evolve into additive technologies, virtual modeling and prototyping, we also preserve and honor traditional methods.

We provide suppliers and manufacturers to the model making industry the unique opportunity to interact with our members who are professionals, educators, and students in the model making field.

With professional membership rates at just \$125 annually, our valued vendor members can get involved and reach their target market in the model making industry.

We also offer exclusive advertising packages in our quarterly E-Newsletter *The Leading Edge* and banner advertising on our website.

ASSOCIATION OF PROFESSIONAL
MODEL MAKERS (APMM)

Benefits of Membership

For Our Vendor Partners

www.modelmakers.org

The Association of Professional Model Makers (APMM) is the only organization exclusively serving professionals and suppliers in the model making industry.

The APMM is an international community of nearly 800 professional model makers, students, educational institutions, freelancers and corporations. We represent and unite a diverse and unique industry of

appearance models, architecture, automotive, consumer products, displays and dioramas, film/effects, industrial design, prototypes,

scale models and toy sculpting.

Our biennial (in even-numbered years) conferences are designed for up-close, interactive learning and are held in various locations across the US.

*"We cannot solve our problems with the same thinking we used when we created them."
Albert Einstein*

We believe there is no better place for the best vendors of materials and equipment and software in the industry to interact and share ideas with the brightest and most experienced professionals, students, and educators .

Feel free to contact us if you have questions or need additional information about becoming a part of this unique and dynamic professional organization.
